There's a lot of good stuff on TV, so I watch something most days of the week. It's the easiest thing to do when I get home from work and I'm too tired to go out or read a book. I watch quite a lot of documentaries and the news because I like to know what's happening in the world, and I'm also a big fan of reality shows like *Big Brother*.

In *Big Brother* they get real people together in a house for a few weeks, and because the house is full of cameras you can watch how they behave. Sometimes the people are celebrities. As a viewer you can decide which of the people you don't like, and then vote to evict them from the house - I love that!
